25X1

1. Between 27 and 30 March 1951, shipments of barbed wire were seen arriving in the border sector of Gsenget near Hor. Steindleberk (N 50/Q 17). wooden boxes seen in the same area contained 25X1  
mines. 25X1
2. One border guard unit was stationed in the mountainous Polednik region about 5 km south of Prasily (N 50/Q 17) and another at Gruenberger Huette. These units were said to be relieved and supplied from Srni (Rehberg, N 50/Q 17). A telephone line was being strung from Gsenget to Gruenberger Huette in late March. 25X1
3. field fortifications and wire 25X1  
entanglements would be constructed in the border sector beginning on 15 May.
4. On 30 March two bunkers, each occupied by two soldiers, were observed, one north-west and the other southeast of Sruby (Heuhof, N 50/U 89). The soldiers went to Sruby after they were relieved. At the same time, three soldiers were observed making an excavation in a garden in Sruby. Several new, empty boxes were seen in the terrain southwest of this town.
